

CALAVERAS TELEPHONE COMPANY
CORRECTED NOTICE OF APPLICATION TO ESTABLISH NEW REGULATED REVENUE REQUIREMENT
(A.23-11-011)

Why am I receiving this notice?

On November 15, 2023, Calaveras Telephone Company filed an application with the California Public Utilities Commission (CPUC) requesting a review of its intrastate revenue requirement and rate design. This filing was submitted in accordance with Commission rules, including those outlined in CPUC Decision Nos. 94-09-065, 14-12-084, 15-06-048, 21-04-005 and 21-06-004, and the CPUC's Rules of Practice and Procedure. This application has been docketed at the CPUC as A.23-11-011.

Calaveras' application includes a proposal to increase Calaveras' basic single line residential rate, exclusive of taxes and fees, from \$25.00 to \$26.00 in all of its exchanges, effective January 1, 2025. Calaveras also proposes to increase its basic business rate, exclusive of taxes and fees, from \$27.33 to \$28.33 in all of its exchanges, effective January 1, 2025. Calaveras' LifeLine rate will also change based on the basic residential rate that is ultimately adopted in this rate case.

Why is Calaveras filing this application?

Calaveras has filed this application to preserve access to universal service support from state and federal sources and to ensure that it can continue to provide safe, reliable, and modern telecommunications services to its customers, while covering its operating expenses and earning a reasonable rate of return on its investments.

How does the rest of the process work?

The application will be assigned to a CPUC Administrative Law Judge who will consider proposals and evidence presented during the formal hearing process. The CPUC will hold public participation hearings at dates yet to be determined, which will provide customers an opportunity to express their views on this matter to the CPUC. The Administrative Law Judge will issue a proposed decision that may adopt Calaveras' application, modify it, or deny it. Any CPUC Commissioner may sponsor an alternate decision with a different outcome. The proposed decision, and any alternate decisions, will be discussed and voted upon by the CPUC Commissioners at a public CPUC Voting Meeting. Parties to the proceeding will review Calaveras' application, including the Public Advocates Office of California, which is an independent consumer advocate within the CPUC. For more information about the Public Advocates Office, please call 1-415-703-1584, email PublicAdvocatesOffice@cpuc.ca.gov, or visit www.PublicAdvocates.cpuc.ca.gov.
